Kim,

You may have been contacted by Cinna already, but just in case not yet:

1. We are getting ready to fully fund the new agreement with the \$25K with recently received Special Acct \$. This is doable within the week or at latest first of next.
2. If possible, please do not bill against the existing \$1500. We need to swap out the funds.

Call Cinna if you need to know more.

Thank you,

Steve
